| Graduation | 27 March 2013 |
| Degree final mark | 110 e lode - <i>summa cum laude</i> |
| MD Final dissertation topic | Advancements in laparoscopic treatment of urolithiasis in children |
| Licence to Practice | University of Genoa - School of Medicine |
| Date | 10 July 2013 |

Training

Pre-Hospital Emergency Medicine Training

| | |
|------------------------|----------------------------------------------------|
| Place/Institution | Local Health Trust / Italian Resuscitation Council |
| Date | October 2013 – May 2014 |
| Completion of Training | 15 th May 2014 |

ALS

| | |
|-------------|----------------------------------------------------------------|
| Institution | Italian Resuscitation Council / European Resuscitation Council |
| Date | 4 th March 2018 |

APLS

| | |
|-------------|------------------------------------------------------|
| Institution | Advanced Paediatric Life Support ALS Group |
| Date | 2 nd – 3 rd February 2019 |

ATLS

| | |
|-------------|------------------------------------------------------------------|
| Institution | Advanced Trauma Life Support Royal College of Surgeons |
| Date | 23 rd – 25 th May 2016 |

ATACC

| | |
|-------------|--------------------------------------------------------------|
| Institution | Anaesthesia Trauma and Critical Care ATACC faculty |
| Date | 13 th – 15 th May 2016 |

NLS

| | |
|-------------|-----------------------------------------------------------------------------------------|
| Institution | Newborn Life Support The Lewisham Hospital (Lewisham and Greenwich NHS Trust) |
| Date | 14 th December 2018 |

Ultrasound Proficiency

| | |
|-------------|---------------------------------------------------------------------------------------------------|
| Institution | Emergency Medicine Ultrasound Core (Level 1) Royal College of Emergency Medicine (RCEM) |
| Date | 24 th March 2017 |

Procedural Sedation & Analgesia Training

| | |
|-------------------|-----------------------------------------------------------------------|
| Place/Institution | Procedural Sedation Whipps Cross Hospital Simulation Centre |
| Date | 2 nd February 2016 |

| | |
|-------------------|----------------------------------------------------------------------------------------------------------|
| Place/Institution | Sedation and Ultrasound Guided Regional Blocks in the ED Infomed Research and Training Limited |
| Date | 12 th June 2017 |

Radiology

| | |
|-------------------|-----------------------------------------------------------------------------------------------------|
| Place/Institution | A&E Radiology Survival Course – Chest X-ray Survival Course Radiology Red Dot Courses |
| Date | 6 th – 7 th February 2016 |

Anaesthesia and Intensive Care

Place/Institution
Dates

KSS School of Anaesthesia – Dartford and Gravesham NHS Trust
18th August 2017 - 8th September 2017 - 3rd November 2017

Anaesthetic Novice Course

Place/Institution
Dates

Imperial Introduction to Intensive Care
Imperial College School of Anaesthesia - Chelsea and Westminster Hospital
29th March 2018 – 20th April 2018 – 18th June 2018

Place/Institution
Dates

Basic Assessment and Support in Intensive Care (BASIC) Course
Royal Surrey County Hospital
20th – 21st June 2018

Simulation Training

Simulation

Place/Institution
Dates

The Art of Debriefing Course
Whipps Cross Hospital Simulation Centre
26th & 27th January 2017

Place/Institution
Dates

Training the Trainers Course
European Society of Emergency Medicine Congress
8th September 2018

Scientific Society activities

European Society of
Emergency Medicine (EuSEM)

The Young Emergency Medicine Doctors (YEMD) is a section within the EuSEM that aims to: improve contact between European EM residents and EUSEM; promote research among European EM residents; improve European EM resident training; improve contact between European EM residents among Federation members; advocate the recognition of EM as a basic specialty in European countries where this is not yet the case.

Position

YEMD Secretary 2017 - 2019

Activities Undertaken During Medical School

Segretariato Italiano Studenti
in Medicina (SISM)
*Italian Medical Students'
Association*

The SISM is a no-profit organization conceived and ruled by medical students, present in 37 Italian Medical Schools with about seven thousands members (www.sism.org).

International Federation of
Medical Students' Associations
(IFMSA)

The association is part of the **International Federation of Medical Student Associations (IFMSA)**, a worldwide network that gathers more than one hundred medical students' organization all over the world and coordinates medical students on different topics (medical education, public health, reproductive health and AIDS, human rights and peace, medical student exchange program) (www.ifmsa.org).
